

THE OPEN BOOK

The official shared dictionary. **Both players keep a copy face-up at all times** — same words for everyone, so nobody wins on vocabulary. If it isn't on this page, don't say it.

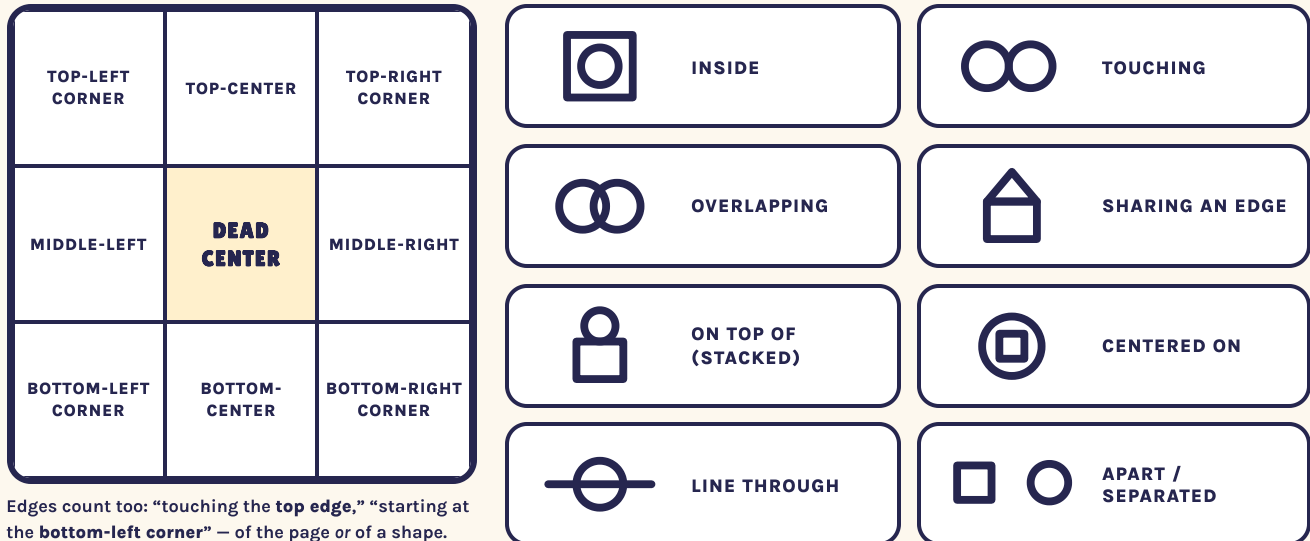

The shapes

The sizes

The page map & the relationships

SAY IT LIKE A PRO → **“Medium circle, dead center — touching the top edge of the large square.”** Every word straight off this page. Zero penalties. (We almost said “chef’s kiss” — that would’ve cost us a point.)
